

*July 2023*

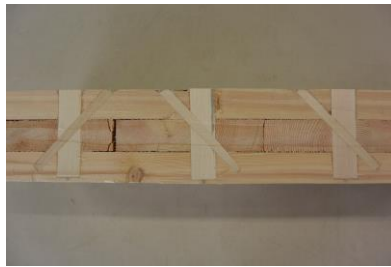

**Organization and planning is key to success. When the roads become inaccessible, we are here to help you with your matting needs.**

**Access mats bolted or dura dowel.**

**Steel Frame Rig mats – 100% stick welded**

### **NEW PRODUCT - Dura Dowel Access Mat**

We are thrilled about our environmentally friendly access mat. Our Dura Dowel mat is made with no metal. Making recycling much easier.

**Call our office at 403-845-5733 for more information**

Wishing our former Operations Manager Gary West, a very Happy Retirement! Lone Pine would like to welcome Rick Mc Donald, to the position. Rick has been with Lone Pine Forest Products for 6+ years. From rig mat builder, to foreman, to the new Operations Manager. Rick has extensive knowledge of the matting business and is happy to help you with your matting needs.

Our parent company Duz Cho Construction L.P. Owned by the McLeod Lake Treaty 8 First Nations. We would like you to invite you to visit us online at [www.Duzcho.com](http://www.Duzcho.com)

### **Duz Cho Motto**

*“Making sure the footprints we leave behind are ones our children will be proud to walk in”*
